

# SIT Alumni Association Doctoral Fellowship for Woman

## **1. Purpose of the Scholarship**

---

To encourage the advancement of female researchers, it aims to provide the scholarships, supported by SIT Alumni Association(校友会), to women who enroll in the Doctor's program of the Graduate School of Science and Engineering at SIT and have the intention to contribute to the educational and research activities of SIT in the future.

## **2. Eligibility**

---

The applicants must be the female SIT students in Master's Program, Graduate School of Engineering and Science and apply to enroll in Doctor's program in SIT with outstanding academic records.

It is desirable that applicants wish to pursue a career as faculty members at SIT after completing the Doctor's program. However, there is no obligation to become a faculty member, nor does SIT guarantee employment.

Additionally, candidates are required to actively participate in and contribute to the activities of the SIT Alumni Association(校友会).

## **3. Number of Awards**

---

A few people (expected)

## **4. Scholarship Duration and Stipend**

---

Duration: 1 year (Maximum 3 years with an extension deliberation every academic year)  
Amount of stipend: The annual amount of 1 million yen will be divided among the number of newly hired recipients to finalize the first-year scholarship amount. Additionally, the first-year scholarship amount will be applicable in subsequent years as well.

< Concurrent receipt with other scholarships >

Concurrent receipt with other scholarships is allowed.

※ In the following situations, the recipient may become disqualified for receiving scholarships

- (1) when the recipient is subjected to disciplinary action such as being expelled or being deregistered from the university
- (2) in the case of poor academic performance
- (3) when the false or fraudulent information was found on the application documents
